We are proud of the one-to-one Chromebook program at St. John's Episcopal School. All students, fourth through eighth grades, are to purchase their own Chromebook device. There are certain hidden fees that the school must collect from families to cover the cost of properly provisioning each student's Chromebook under our STJES domain.

Initial set-up that covers Hapara and Google License

*** ALL students entering 4th grade or, who are new to 5th through 8th grade, pay a one-time fee for the initial setup of their first Chromebook. ***

Hapara & Google device fee rates for 2023-2024:

_____ Grade 4 (75.00) & (38.00)

_____ New student 5 (71.00) & (38.00)

_____ New student 6 (67.00) & (38.00)

_____ New student 7 (63.00) & (38.00)

_____ New student 8 (59.00) & (38.00)

\$38.00 fee for enrolling a replacement Chromebook under our STJES domain (*new Google License*)

Each time a student (grades 4-8) needs to replace OR buy a new Chromebook due to damage, accident, etc., will need a new Google License attached to it.

Google Licenses are device specific, and at this time, cannot be transferred to a different device.

Your payment will be automatically processed through FACTS.
