Chromebook Fees

Date: _____

All students, fourth through eighth grades, are required to purchase their own Chromebook device. There are certain fees the school must collect from families to cover the cost to properly provision each student's Chromebook under our STJES domain.

Initial set-up that covers Hapara and Google License

*** ALL students entering 4th grade or, who are new to 5th through 8th grade, pay a one-time fee for the initial setup of their first Chromebook. ***

Hapara & Google device fee rates:

☐ Grade 4 and all new students in grades 5 through 8 \$115.00

☐ \$38.00 for enrolling a replacement Chromebook under our STJES domain (*new Google License*)

Each time a student (grades 4-8) needs to replace OR purchase a new Chromebook due to damage, accident, loss, etc., the student will need a new Google License attached to it. Google Licenses are device specific and cannot be transferred to a different device.

Your payment will be automatically processed through your FACTS payment account.
