EPISCOPAL SCHOOL

2022-2023 Grandparent Information Form

Grandparents are an important part of your child's life! We like to include them as part of the St. John's family by inviting them to special events throughout the year, especially our annual Grandparents/Special Friends Day. We may also include them in mailings during the school year. The following information helps us to plan effectively for their visit, and we ask that you complete this form, where applicable, even if grandparents live out of town.
