

# Second Grade Summer Reading Challenge

Dear Families,

Children who read throughout the summer gain skills, can start the new school year with a better understanding of language and the world around them, and discover the JOY of reading. The more they like to read, the more they will read! Reading every day, even if it's for just a few minutes, improves children's ability to read and learn all year long.

For your summer reading, students should complete these two activities:

1. *Summer Reading Challenge:*

Students should read a book and color in the challenges. They should record the name of the book and the author on the back of the *Challenge* sheet.

2. Students should pick their 3 favorite books and take pictures of themselves reading in their favorite places. To see lists organized by grade level, go to <https://www.montgomerycountymd.gov/library/for-you/kids.html> and scroll down to MCPL Booklists for Kids.

*\*Please note that this is merely a list of leveled books compiled by the Montgomery County Public Library System and does not signify an endorsement of any particular book or books. As parents, if you have questions or concerns about a particular book, we recommend consulting Common Sense Media at <https://www.commonsensemedia.org/book-reviews>.*

Students will bring their *Challenge* page and 3 pictures to share with their teacher during the first week of school. Have a great summer and enjoy reading!

Looking forward to an amazing school year!
