

Second Grade Summer Reading Challenge

Dear Families,

Children who read throughout the summer gain skills, can start the new school year with a better understanding of language and the world around them, and discover the JOY of reading. The more they like to read, the more they will read! Reading every day, even if it's for just a few minutes, improves children's ability to read and learn all year long.

For your summer reading activities, students should complete these two activities:

1. Attached is a *Summer Reading Challenge*:

Students should read a book and color in the challenges. They should record the name of the book and the author on the back of the *Challenge* sheet.

2. Students should pick their 3 favorite books and take pictures of themselves reading in their favorite places. For book suggestions, go to <https://www.montgomerycountymd.gov/library/for-you/kids.html> and scroll down to Books For Kids to see lists organized by grade level.

Students will bring their *Challenge* page and 3 pictures to share with their teacher during the first week of school. Have a great summer and enjoy reading!

Looking forward to an amazing school year!
